The Rise of Yoga and Pet Integration

The blending of yoga and pet companionship is not entirely new. The rise of "yoga with pets" or "doga" (dog yoga) gained popularity, with notable practitioners and influencers advocating for the benefits of practicing yoga alongside animals.

However, the specific concept of a two-year, month-by-month plan focusing on practicing yoga with cats emerged distinctly around late 2018 and early 2019. It was largely fueled by social media platforms such as Instagram and TikTok, where pet owners posted videos of their cats gently lying on yoga mats, attempting to mimic poses, or simply being present during their owners' routines.

The Catalysts: Influencers and Community Engagement

Key influencers in the wellness and pet communities began sharing curated content that encouraged a structured approach. Notable examples include:

- Yoga practitioners who incorporated cats into their daily routines.
